To Whom It May Concern:

It is my pleasure to recommend Howie Taylor as a web developer that has demonstrated his superb design and user interface development abilities while working briefly as a consultant at GunnAllen Financial.

Howie worked on multiple projects at the same time and exceeded our expectations. His quality of work and professionalism is second to none. Howie distinguished himself by consistently submitting exceptionally well-researched and well-thought-out work.

If his performance in our company is a good indication of how he would perform in yours, he would be an extremely positive asset to your organization.

If I can be of any further assistance, or provide you with any further information, please do not hesitate to contact me.

Sincerely,

Lisa Rotondo
Marketing Manager
